The official defiance by Texas Governor Greg Abbot of illegal orders coming from the fake US President Joe Biden and the blackmail-compromised Supreme Court marks the opening shots of the second American Revolution. This is part of a worldwide revolution against Satanic Khazarian Mafia rule. In France and other parts of Europe farmers with tractors, the modern equivalent of peasants with pitchforks, are on the warpath against the KM-controlled puppet governments. Russia too, is finally preparing

to march into Western Europe and destroy the Nazi infestation there. In the Middle East, the UK has officially withdrawn the Balfour Declaration meaning Israel as it currently exists, is finished. In China too, the communist party is facing an unprecedented crisis as its' real estate-based financial system implodes. There is also a revolution brewing in Iran as KM puppet "Supreme Leader" Ayatollah Khamenei is being replaced, according to Iranian sources.

There is a lot to cover so let's start with the situation in the United States. The move by Texas and 27 other states to send the National Guard to the Mexican border in defiance of the illegitimate Biden regime is revolutionary. What the patriots need to understand though is that, by trying to stop the illegal flow of military-aged males into the US, they are only fighting one arm of the octopus. They also need to understand the KM deep state is hoping to manipulate this event into starting a civil war in the US in order to cancel elections and stay in power.

So it's unanimous: everyone in power, from the White House, to the hedge fund managers, to the Supreme Court of the United States has decided to destroy the country by allowing it to be invaded. That leaves the population to defend itself. Where are the men of Texas? Why aren't they protecting their state and the nation?

Here's a message from Texas.

No matter what though, there is no way the KM will force Americans to fight each other in a civil war. Let's face it nobody is going to fight for the fake Biden to ensure that cross-dressing middle-aged males can use girls' bathrooms. This is what any Feds on their way to Texas would look like.

In any case, the main problem is not in Texas. As Archbishop Carlo Vigano warns **“The city of the devil is clearly identifiable in ...the New World Order, the United Nations, the World Economic Forum, the European Union, the World Bank, the International Monetary Fund, and in all those so-called ‘philanthropical foundations’ that follow an ideology of death, disease, destruction, and tyranny.”** These groups gather in Davos Switzerland to “openly declare that they want to reduce the world population through organized wars, famines and plagues.”

To achieve victory patriots everywhere need to target the head of the octopus. This is located in the area around Lake Geneva, Switzerland. Arms of the octopus are found in places like Silicon Valley (Apple, Microsoft, Google. Meta, etc.), Washington DC (Victoria Nuland, Eliot Abrams, etc.), Tel Aviv (Benyamin Netanyahu and his fellow war criminals) and Tokyo, Japan (the so-called Japan handlers under fake “ambassador” Rahm Emmanuel).

Patriots have rallied behind the Commander in Chief and President Donald Trump of the Republic of the United States to fight these people. By the way to understand exactly what Republic means, please watch the short video below.

Patriots also need to realize Trump has been the target of a sophisticated disinformation campaign using a fake Trump. Take a look at the photograph below of two Trumps with different hair and eye colors who have appeared in public recently. The one with the white around his eyes is the fake, NSA sources say.

The fake Trump is acting like a pied piper, telling people stuff they want to hear like he will “drain the swamp,” while forcing toxic vaccines on them. The real Trump was always opposed to vaccines because his own son was damaged by them. He is the one who appears with Melania. So, if you get a chance to ask Trump a question, ask him if the vaccine pushers should be arrested and tried for war crimes. The real one will say yes.

Former British Prime Minister Boris Johnson says “In the cocktail parties of Davos, I am told, the global wokerati have been trembling so violently that you could hear the ice tinkling in their negronis [at the prospect of Trump].”

The Soros Family, in league with legacy media outlet The Atlantic, has now publicly issued a veiled, non-verbal threat of assassination against President Donald J Trump.

Look carefully Single bullet (1 shot) through protective glass (person of interest), “47” dollars USD. Trump, if elected, will become the 47th president of the United States. On visible note: “Will Pay to Bearer on Demand”(hired job).

Meanwhile, an avatar pretending to be George Soros appears to have experienced a stroke on live television while giving his speech at the WEF. Clearly they are mortally worried.

In any case, the National Guard troops gathering at the Mexican border should head for Silicon Valley, New York and Washington DC and look for criminals like Soros because these are the people paying the illegal immigrants to invade the US. They need to arrest mass-murdering criminals like Bill Gates and force the tech companies and puppet leaders to tell the truth about things like the mass torture and murder of children.

Sen. Chuck Grassley (R-Iowa) is on the case saying:

My office is working...to identify as many missing children as possible, in hopes they can be found and saved. I expect the cooperation of DHS, as well as the full cooperation of HSI, FBI, HHS, and any NGOs involved, in this critical mission. It is our moral duty to do all we can to rescue children who may have endured sexual abuse or forced labor,"

There has also been significant white-hat military action to purge the Pentagon of Satanists. The announcement that Lt. Col. Michael Aquino, former head of US Special Forces and founder of the Temple of Set, “committed suicide,” is a sign of this. “This creature was extremely evil. He was also very powerful and influential at the highest levels of the Deep-State military-industrial complex, global intelligence agencies and Hollywood,” CIA sources say. We were told he was killed several years ago but this formal announcement of his death is meant as a public signal.

KM-controlled traitor Mark Milley, meanwhile, is sitting in Gitmo waiting for public tribunals. The way is being prepared with reports he ordered the National Guard to stand down when the Jan 6 psy-ops was staged.

The removal of General Mark Milley signaled the start of the ongoing purge of Pentagon officials involved in the vaccine mass murder and other crimes, Pentagon sources confirm. So, if you are in the military or a police enforcement agency present your commanding officer with evidence the vaccines were murder and ask him to take this up the chain of command. As soon as you reach someone who tries to stop inquiries into this, you will have identified a traitor. Treason is punishable by death. Remember, these people are actively trying to kill you and your family and you are legally entitled to self-defense.

In any case, the military purges are in preparation for a financial black swan event that will remove the Satanists’ main source of power, the control of money. As this report was about to go live MI6 called to inform us a huge financial domino has fallen with the “collapse of
